

Full Back Disposable

The Oxford® Full Back Disposable sling is an easy fit, contoured sling designed to fit the majority of clients. It offers excellent full body support and the correct size will fit snugly and give full protection for patients who go into extension or have involuntary movements or behavioural problems. In the interests of avoiding cross-infection, this sling is specifically design for single patient use only.

- ✓ Integrated, boned head support and leg padding as standard
- ✓ Colour coded binding indicates sling size
- ✓ Coloured attachment loops promote correct/safe positioning
- ✓ Modesty loop helps protect patient dignity during transfer
