

Deluxe Standing Disposable

The Oxford® Disposable Standing sling is an easy fit sling suitable for standing and supporting. It is not a general purpose sling and clients should be assessed as to their suitability. It will not suit double amputees or lifting from a horizontal position. In the interests of avoiding cross-infection, this sling is specifically designed for single patient use only.

- ✓ Fully padded design offers excellent patient comfort
- ✓ Coloured attachment loops promote correct positioning
- ✓ Non-slip back section ensures the sling does not 'ride up'
- ✓ Adjustable waist strap for added support and security
